

## 2022 Nephi 3rd Ward Cleaning Assignments

Here is the schedule for our ward's cleaning assignments. Each group has a lead family. As a bishopric, we ask this lead family to schedule a day and a time with the rest of the families assigned with their group to go and complete the cleaning assignment. If you need a key or direction on what needs to be cleaned please contact one of our ward building representatives. (See Below)
